Agenda Item	Minutes	Actions
Welcome and acknowledgement of Country	Introductions	
Presentation from Kate Hunter	<p>Dr Kate Hunter is a Senior Research Fellow in the Injury Division at The George Institute. She is also a conjoint Senior Lecturer in the Faculty of Medicine, University of NSW.</p> <p>Presentation key points:</p> <ul style="list-style-type: none"> • Overview of the national injury prevention strategy • A draft strategy has been developed and reviewed by Commonwealth government departments. • Executive Advisory Group to meet next week. • Public consultation to occur in the next few months. • Feedback should be based on strong evidence • Final strategy should be released by June. 	
Injury Prevention Summit discussion	<p>AE- Background: The 2017 Summit helped to build connections and share experiences across injury prevention. Held at Parmelia Hilton with 88 attendees.</p> <p>Next steps: Looking to deliver the summit in 2021- very early stages, but would like to tie in with other events- so maybe March to April.</p> <p>Objectives: Increase awareness of injury prevention and safety promotion</p> <p>Questions to group:</p> <ul style="list-style-type: none"> - Q. Preferred format? A. Sessions that give more time for Q&A; sessions that give; need to be long enough to participate; consider running larger workshop sessions multiple times; Concurrent sessions become an issue- so much going on that it's overwhelming- you questions how much you are getting out of it (3 streams run 3 times means that everyone gets the opportunity to attend all); use the wealth of knowledge in the room; Consider use of technology; facilitate networking?; Send out delegate list; Consider creating groups of multidisciplinary groups to bring together different skills sets 	<p>Alyson Elari (Injury Matters)</p> <ul style="list-style-type: none"> • Summarise conversation and bring developments to next IPN meeting in May • Meet with WA Trauma Team to discuss

	<ul style="list-style-type: none"> - Q. Preferred topics? A. One that can provide skills that link to all; skills based – Ideas around systems, collaboration, evaluation, specific case studies with tools presenters can take away; Focus on something specific- Injury is massive; How to you build: resilience, systems etc- Make it so that everyone can take something away from it - Make it applicable; What does the Injury Prevention strategy mean for WA?; break out sessions should be brought back to the main session; Self-care; Learn referral pathways; Having some real stories (Melanie Mitchel); Link to local governments; People with disability should be engaged more - Q. Preferred partnerships? A. WA Trauma Symposium; need to consider follow-up actions to keep momentum going; Potentially bring WAPHA into the conversation; - Q. Preferred presenters? A. Consider leaders from other States that would support activities in WA; Amanda Wakeman- lieutenant colonel <p>For people unable to attend the Network or if you have more ideas, please provide your feedback via this link: https://www.surveymonkey.com/r/InjuryPreventionSummit</p>	partnership opportunities
